Good morning,

JAY Swaminarayan.

I would like to thank you for inviting me to mark your 1<sup>st</sup> year anniversary on this beautiful Saturday morning.

I extend my greetings to Swami to thank him for his blessing during our last visit to the beautiful Swaminarayan temple.

On this day we are honoured to celebrate the 1<sup>st</sup> year anniversary of the unveiling of Lord Swaminarayan and thank him for his blessing.

Let us all remember "Nothing is impossible because the word itself says I'm possible."

Jay Swaminarayan.
