

3<sup>rd</sup> Annual Family Fun Day of "Our Community House" Thursday July 16, 2015

Opening Remarks for Councillor Paul Ainslie

-----

Good morning,

I would like to thank everyone for joining us this morning on this beautiful Thursday morning as we celebrate the 3rd Annual Family Fun Day as in honour of the "Our Space Danzig Community House"

Today marks an important milestone in our community as we continue to work together for all the residents to feel united, included and proud of their neighbourhood.

The "Our Space Danzig Community House" is a place for everyone, it is a place to find someone to talk to, to help you with your homework, volunteer, watch a movie, attend a program or I am told to get a haircut. It's a gathering place in a loving community.

I am honoured to be here this morning to also thank Mr. Udofia for his kind continued support to our community his dedication is kindly accepted and warmly appreciated.

Have a wonderful day everyone!
