Progress Church 15<sup>th</sup> Anniversary and Opening of new worship facility

Good morning everyone and thank you for inviting me to join the celebration.

I think it's wonderful that Progress Church has been in this community for 15 years and served the community well through all of these years and for many more to come.

New worship facility is outstanding in it's design and will serve very useful to the church and parishioners.

I enjoyed meeting with you and being part of your family.
