

"I am pleased that YouthLink through its programming increases awareness of our youth's needs in Scarborough. BluesLink is an opportunity to participate and enjoy great food and entertainment for the benefit of Scarborough. Projects such as Walk-In Counselling Service, Clean Break Project and LGBT youth group create a safer environment for our youth.

I strongly support our youth and work closely with community groups on youth issues. I am positive BluesLink will be a great success and wish YouthLink all the best in their future endeavours." Paul Ainslie, Councillor, City Of Toronto, Ward 43 Scarborough East
