Elizabeth Simcoe Park Official Splash Pad Opening

Good Afternoon and Welcome Everyone. It is a pleasure to be here today

Thank you for joining us to officially open the splash pad for the season.

I think you will agree that this splash pad is a welcome addition to the community.

Last year we opened a new playground in Guildwood in Grey Abbey Park, which is a great successes in the community, my office receives positive comments about it to this day.

This Splash Pad is an investment in the Guildwood community. And more importantly, it is an investment in all of you.

This community wanted more opportunities for the kids to get active and to have fun in the summer month. Toronto Parks, Forestry and Recreation and I have worked very hard to make this Water Play and Splash Pad a reality.

The City of Toronto believes that community recreation makes a healthy connection with the people who use them, which enhances their lives immensely.

I hope that you will take advantage of what the splash pad has to offer and enjoy and use it to its full potential.
