Outdoor Ping Pong Table
Morningside Park
August 23, 2016 11:00 AM

Good Afternoon and Welcome Everyone. It is a pleasure to be here today.

Thank you for joining us today to officially unveil this spectacular outdoor ping pong table.

I think you will agree that The Ping Pong table is welcome addition to the latest improvements in Morningside Park, which will bring more opportunities for outdoor activities in the community.

The Ping Pong table is an investment in our community. And more importantly, it is an investment in all of us.

The City of Toronto believes that community recreation makes a healthy connection with the people who use them, which enhances their lives immensely.

I would like to thank the Forest Hill Rotary Club, Chako Setoyama and James Matsumoto for making this significant contribution.

I would also like to thank Norm Waite and Dianne Moore who could not be here with us today, for their leadership in making this initiative a success. And the City of Toronto Parks department, Supervisor Gord Bacon is here with us today, for helping with the installation of the table.

At this time I would like to ask Chako Setoyama to say a few words about “Outdoor Ping Pong Tables for Parks” initiative.
