Dear Chief Saunders,

I am writing this letter on behalf of the residents of the Guildwood Village Community, one of the neighbourhoods I represent within Ward 43 Scarborough East.

Residents and parents of the Guildwood Junior Public School and St. Ursula Catholic School communities are requesting that a crossing guard be reinstated at the Guildwood Parkway and Livingston Road intersection.

Children who reside in the surrounding area are encountering this very busy intersection to attend both Guildwood Junior Public School and St. Ursula Catholic School as a high volume of cars travel along Guildwood Parkway. The community is concerned that the children crossing are being put at risk.

I fully support the placement of a School Crossing Guard at this intersection in order to maintain community safety for the children and all other residents, and would ask that a crossing guard be instated at the intersection of Guildwood Parkway and Livingston Road intersection

Sincerely,

Councillor Paul Ainslie
