**PETITION: NOT ANOTHER BUS - Support Modern Transit in Scarborough!
 Provincial and Federal Funding Commitment for Eglinton East Light Rail Transit (EELRT)**

Dear Neighbours,

As your City Councillor and elected representative for Ward 24 Scarborough-Guildwood, I have been focused on making Scarborough a transit priority and improving the transit options for you. I have reached out to my colleagues and elected representatives at all levels of government to push for funding for the Eglinton East Light Rail Transit (EELRT). **Scarborough needs a modern, rapid transit option to connect our community to the TTC network with more than just buses.**

In February 2020, Toronto City Council unanimously supported a \$1.238 Billion funding commitment to the EELRT. However, the City of Toronto cannot fund this alone. The Provincial and Federal governments need to make a financial commitment as well. The budget for the project currently stands at \$4.2 Billion. **With the support of the Provincial and Federal governments, construction could begin as early as 2024 and be completed in 4-6 years.**

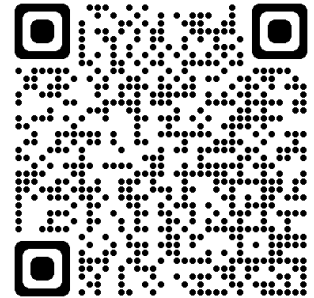

SUPPORT BETTER TRANSIT IN SCARBOROUGH. SIGN THE PETITION ASKING THE FEDERAL AND PROVINCIAL GOVERNMENTS TO MATCH THE CITY OF TORONTO’S COMMITTED FUNDING TO BUILD THE EGLINTON EAST LRT (EELRT).
