RE: Update on Multi-Tenant Residence on Duncombe Boulevard

Dear Ward, 24 Neighbours,

I am writing to update you on the outcome of concerns brought to my attention regarding a house on Duncombe Boulevard, which is zoned as a single-family zoned property, but was being renovated for use as a rooming house.

I had City of Toronto Licensing staff investigate as soon as this was brought to my attention by area residents. Staff found the property owner had undertaken major renovations, changing the single-family home into a multi-tenant structure. Subsequently the property was listed for sale, it has since been removed following discussions with Municipal Standards and Licensing, the realtor and the property owner. The real estate listing the property with 3 separate kitchens, 7 separate living quarters and separate utility metres. The rear yard was converted into a parking lot with a widened driveway entrance.

I would like to thank everyone who raised this issue with my office, allowing us to quickly act and remedy the situation.

The property owner has agreed to remove the illegal construction and the tenants were issued letters to vacate the premises by September 12, 2021.

A full timeline of the investigation and a list of the actions to reach this point is available on my website www.paulainslie.com
