

# Construction Notice

March 6, 2025

Dear Resident,

Toronto Hydro is rebuilding the electrical distribution system in your community to improve the reliability of your electrical service. This rebuild includes upgrading underground electrical cables, as well as installing tap boxes and transformers on City-owned property near your lot.

## PROJECT

PROJECT NAME	PROJECT NUMBER	PROJECT AREA
Scarcliff – Tivoli Underground Rebuild Civil Phase C	P-250017-ED161003	
WARD	EXPECTED TIMELINE	
24	April 2025 – September 2025	

Map data © 2024 Google

We want to hear from you!

When our construction work is finished, we'll send you a brief survey in the mail to collect feedback on your experience. Toronto Hydro values your feedback and we're committed to providing you with the highest quality of service possible.

**Important information and safety tips on the reverse side.**

## PROJECT STAGES

### Design

The *design* stage is when designers plan on how to get the new power supply to your home or business.

### Civil

The *civil* stage is when crews dig into the ground and place new poles and underground conduits.

### Electrical

The *electrical* stage is when crews switch over the supply from the old to the new system.

### Planned Power Interruption

Throughout this project, planned power outages may be necessary when switching from the old to the new electrical system. We'll always provide you with advance notice of these outages.

## WORK DETAILS

While Toronto Hydro will make every effort to reduce the impact of construction on your community, you may experience dust, noise and other inconveniences as a result of the work on this project. We appreciate your patience as we work to improve service reliability in your neighbourhood.

### WORK HOURS

The work on this project will generally take place Monday to Friday, between 7 a.m. and 7 p.m. However, some weekend work may occur.

### ROAD AND SIDEWALK ACCESS

In order to complete work in a safe manner, there may be road and sidewalk restrictions within the construction work area. In the event of any parking restrictions in your community, advance notice will be provided.

## SAFETY TIPS

### PUBLIC SAFETY IS OUR TOP PRIORITY AND EVERYONE PLAYS AN IMPORTANT ROLE:

- Never enter a construction area marked by fences or safety cones
- Be visible at all times and make eye contact with people operating equipment
- Be aware of your surroundings and avoid distractions
- Follow all safety signage, even if there are no construction workers around
- Use the sidewalk or designated walkway
- Ask for assistance to get around the construction area if preferred
- Watch your step! Always be prepared for unexpected hazards
- Report anything that looks dangerous to a construction site worker, or call **416-542-8000**
